

## PRP PLATELET-RICH PLASMA

SAGEWOOD  
INSTITUTE™

PRP is a natural alternative to synthetic fillers without the concern for allergic reactions. Platelets contain several growth factors that increase rebuilding of tissues over several months.

### PRP REJUVENATION THERAPY

When injected into the face, the growth factors in PRP stimulate new collagen and blood vessel

- improves the color and tone of the skin
- Lifts Skin giving a youthful look
- Reduces fine lines and wrinkles
- Improves skin's texture and tone
- Naturally increases collagen production
- Minimizing pores
- Creates a natural glow
- Reduces acne scars

### PRP HAIR RESTORATION THERAPY

PRP Hair Restoration is a non-surgical solution for hair loss in both men and women.

Platelet Rich Plasma contains growth factors that naturally stimulate the development of new hair follicles while improving the health of existing hair follicles.
